Tips from a Class Dojo Sensei

I let the kids who scored high for the week (90% or higher) change their characters.

- Ms. Peña

Create a list of rewards and consequences to go along with Class Dojo scores.

- Ms. Navarro

Show the students that you're giving them more positive recognition than negative points so that they start seeking the positive rewards.

- Mr. Delgado

At the end of the week have students fill out Class Dojo tracker and get it signed over the weekend.

- Ms. Sparks

Class Dojo can be used with SFA too, but instead of being individual scores it can be done as teams.

- Ms. Navarro

It's really good for random selection!

- Mr. Delgado

The cohort with the greatest percentage at the end of the week got a cohort point. The winning cohort got a party every 10 weeks.

- Ms. Sparks
